Attention: J. D. Stevenson

Dear Mr. Stoner:

Enclosed for your approval and use in accordance with paragraph 23 CFR 450.220 is a copy of an ARRA amendment to the Amended FY 2009-2012 Statewide Transportation Improvement Program (STIP) for Illinois. The department is authorizing this amendment to the STIP.

The project listed in this amendment is for a local program project that is not in a Metropolitan Planning Organization area. The funds for this project are available due to new ARRA funds. The local agency has placed this project out for public comment for a 15 day period and did not receive any public feedback fulfilling the public involvement requirements.

We consider the estimate of costs included in the STIP to be realistic. We concur with the fiscal consistency analysis included in the STIP. The total cost of the STIP remains consistent with the amount of funds expected to be available to this area during the STIP time period. The department, on behalf of the Governor of Illinois, concurs with the projects listed in this STIP.

Sincerely,

A handwritten signature in black ink, reading 'Charles J. Ingersoll'.
